Dear Families and Friends,

Fall is an exciting time to be on the Radford University campus. We are eager to invite you to the 2015 Family Weekend, October 16-18. Family Weekend is a unique and valuable opportunity to experience the place, the people and the feel of your student’s academic home.

The RU faculty, staff and students will showcase the university community’s many educational, cultural and social opportunities with engaging activities, such as open houses in each of the colleges to meet the faculty and tours of our facilities. We are proud of the Student Recreation and Wellness Center as well as our most recent addition to campus, the Student Outdoor Recreation Complex, both of which serve the wellness needs of our student body. The Center for the Sciences will join them soon as another jewel in the Radford University campus-scape and a place for learning and growth.

Family Weekend will feature a range of cultural and educational events like dance and theatre performances, the Appalachian Folk Arts Festival and planetarium shows. For some NCAA college sports action, watch Highlander student-athletes compete in volleyball and soccer or take part in the 5K Family Fun Run along the New River.

I look forward to talking with many of you in person at the “Conversation with the President” on Saturday at 10:30 a.m. in the Covington Center for Visual and Performing Arts. Coffee, tea and a light breakfast will be provided.

The four-legged members of your family are welcome as well. We are eager to meet them at Saturday afternoon’s dog show, a special part of this family weekend.

Please don’t leave campus Sunday without enjoying the delicious brunch our chefs will prepare just for you, our special guests. And, if you missed the sale on Saturday, browse the latest Radford University gear and apparel at the RU Bookstore before you end the weekend.

The enclosed brochure features more about these events and the registration process. Your family’s support plays a vital role in the success of your student at Radford University. Please join your Highlander and the rest of the university community for this important and fun weekend.

With warm regards,

Penelope W. Kyle
