We understand that affordability is an important part of every student’s college search process. Our small class sizes, state-of-the-art facilities and engaging faculty are just a few of the reasons why Radford University has been recognized nationally for providing a quality education at a great price.

All students who would like to be considered for financial aid need to complete the Free Application for Federal Student Aid (FAFSA). The FAFSA will be available as of Oct. 1 and should be submitted before the Dec. 1 deadline for full aid consideration.

Last year 77% of our students received some form of financial aid.
