smiling children, the sounds of laughter, and the smell of hot chocolate in the air. Envision that this is all possible because of your decision to join us on this adventure.

As families enter the attraction, they are greeted at Santa's Station. While preparing to embark on their journey they may enjoy the festivities, decorations, gift shop and more.

Scattered throughout their journey are colorful and unique trees, wrapped in gorgeous lights. Walking along a lighted path, guests will enjoy an array of colorful display lights in the themes of Nature, Christmas Traditions, Fantasy, the Enchanted Forest and Adventure.
